**Request for Letters of Support for Assembly Bill AB 2270
(Laird and Feuer) Recycled Water Use**

Assembly Member John Laird is drafting key legislation (AB 2270) regarding recycled water use in California. SCAP supports this legislation and has submitted a letter of support. We encourage our members to also submit a letter of support. If your agency has not already done so, please be sure to send it today as the hearing is scheduled for tomorrow, May 22nd. A sample letter of support is attached for your reference.

Please fax your letters to Assembly Member John Laird's office at (916) 319-2127, attention: Kate Williams.
